Dear Mr. Karanth,

I am pleased to submit our research paper titled "The Cheroz Algorithm: A Hybrid Approach Combining Insertion Sort and Heap Sort" for consideration for publication. This paper, co-authored by Cherry Lee H. Jimenez, Imroz Mae S. Khan, and Junar M. Landicho from the University of Science and Technology of Southern Philippines, presents an innovative hybrid sorting algorithm designed to optimize the performance of traditional sorting methods.

We have ensured that the paper adheres to the submission guidelines and is formatted accordingly. We hope that our work will resonate with the readers and contribute to the repository of knowledge on your esteemed platform.

Thank you for considering our submission. We look forward to the opportunity to share our research with the broader community through your website.

Sincerely,

Cherry Lee Jimenez
